### TRINITY SONG SERVICE

Given Last Night by the Choir of the Church.

A beautiful song service was given at Trinity church last evening. The program was as follows: "There is Joy Today," professional; National Anthem; Confession, Absolution and Lord's Prayer; "All Came Upon the Midnight Clear," anthem; Old Testament Lesson: "As the Heart Panteth," anthem; New Testament Lesson: "All Hail the Power of Jesus' Name," anthem; Prayer for all sorts and conditions of men; "The Savior Has Risen," anthem; Offertory: "All Hail," Short Prayer; Vesper Hymn: "All Glory to God," recessional. The music was rendered by a vested choir of forty voices, the only one of its kind in town. The solo part in "The Savior Hath Risen" was taken by Alfred Fletcher and his voice has never been heard to better advantage. The choir is composed of equal numbers of men and boys, and the tubel and alto of the younger vocalists harmonized perfectly with the voices of the older singers. The choir has been carefully trained by the rector, the Rev. H. H. Johnson.

### SUNDAY IN THE CITY.

What the Inhabitants Did Yesterday Afternoon and Evening.

Thousands of people visited the resorts yesterday. The street cars were packed all day with crowds of pleasure seekers. The lake received the largest part of the crowd. The chief attractions were the sale of jag producing sand and the balloon ascension. About 4,000 people were out there sipping the exhilarating soda water and listening to what the wild waves were saying.

The streets leading to John Ball Park were blocked with pedestrians and carriages going to take in the air and the monkey cage, and to listen to the band at Alderman Turner's charming resort.

The cars for North park were well patronized and many visited the park in carriages, on horseback or on bicycles.

The chief attraction down town was the parade of Powers' "show shop," and it was visited by many spectators during the day. People climbed over the runs as if the height of ecstatic bliss.

were to stand in a puddle of dirty water and get their best clothes covered with charcoal.

In the evening the Salvation army held an informal serenade at Campau Square, which was largely attended. The streets were alive with pedestrians filling their lungs with the cool, refreshing evening air, and the choice triple X beer gas that circulates in the vicinity of Canal street.

Sweating was the principal amusement indulged in by the hot polio. A few of the more exclusive inhabitants perspired. The heat was intense. Those who stayed at home longed for refreshing coolness of the resorts, and those who went to the resorts maligned themselves to think they didn't stay at home and keep out of the crowd. But it was the first genuine summer day of the season and everybody appreciated it except the man in new patent leather shoes and a high linen collar.

### CROWDS AT THE BEACH.

The Warm Weather Has Started Them.

J. E. Rice of the Bridge Street house, one of the lessees of the Ottawa beach resort, returned from that place last evening, where he had been for the past few days preparing for the opening season. The excessive heat has driven a large number to the beach within a day or two, and the proprietors of the hotel are hustling to get everything in order to accommodate the influx of visitors. Fifty were entertained at supper there last evening. There will be an excursion from this city to that point next Sunday when it is expected the accommodations there will be fully provided and arranged.

### He Had a Flyer.

Charles O'Donnell was arrested last evening on Lake avenue for fast driving. He is a stranger in town, having recently moved here from Louisville, Ky., and yesterday was with a friend to inspect the lake. On the way back, however, the nag thought he was in a race, and naturally wanted to be "in it." O'Donnell was willing, but Officer Smith thought the pace a trifle fast and arrested him.

### Kent District Lodge.

Kent District lodge No. 23, I. O. G. T., will hold its quarterly session in Valley City lodge rooms, No. 39, West Bridge street, on Thursday, June 23, beginning at 10:30 a. m. J. W. Hill, a prominent worker in the cause of temperance in Wisconsin, will address the public meeting to be held in the evening at the Second Street M. E. church.

### Set Him Right.

George Augustus Sala, the well-known English writer, on his last Australian trip, wrote as follows to the London Daily Telegraph:

"I especially have a pleasant remembrance of the ship's doctor—a very experienced maritime medic indeed, who tended me most kindly during a horrible spell of bronchitis and spasmodic asthma, provoked by the sea fog which had swooped down on us just after we left San Francisco. But the doctor's prescriptions and the increasing warmth of the temperature as we neared the tropics, and, in particular, a couple of ALLCOCK'S PLEASANT PLASTERS, clapped on—one on the chest and another between the shoulder blades—soon set me right."

CLOTHING COMPANY, The Recognized Bargain Givers.

HONESTY IS THE BEST POLICY!

Why don't all shoe manufacturers stamp their names on the shoes they make and guarantee them to give proper service? Simply because they cheapen them by using Shoddy and Inferior Stock

to save a few cents per pair, leaving the consumer to take chances of their breaking after a short time.

For over a quarter of a Century we have been devoting our energies to making durable and artistic Foot Wear at reasonable prices, and have a standing offer of

\$1,000.00 DOLLARS REWARD for shoddy or spurious leather of any kind found in any shoe of our manufacture. Ten cents per pair in a small amount to save in purchasing a pair of shoes and take chances of poor service, and perhaps spoil your feet by ill-fitting, unsightly-spread shoes, which will be a source of vexation instead of pride.

Nothing Adds More to the Appearance of a Well Dressed Person

than a well-made, properly-fitted shoe, for, as Thackeray well said, "Poverty first attacks one at the extremities." Since the inception of our firm in 1868, our senior partner,

H. S. PINGREE,

has had supervision of the entire business, and from a small start it has increased to one of the largest in the West, our sales now

Exceeding \$1,000,000 Annually all goods of our own manufacture. This has been accomplished by strictness of purpose, honesty in all dealings and indomitable energy, and has resulted in great benefit to the

WHOLE STATE OF MICHIGAN. We know of many persons who now have attained their majority and have never worn any shoes but ours. If you are not using them, don't fail to buy a pair, and have the satisfaction of wearing

A SHOE WITH A RECORD! Made for Ladies, Gents, Boys and Girls. All styles, line and medium grades. We are well equipped in all departments. Fashionable styles of lasts for both Ladies and Gents' Shoes.
